LED FLOOD EX36

LEDWSH360

With a Massive 288Watts of RGBW LED power, housed in a neat IP 64 rated fixture, makes this our most sought after, high powered outdoor LED fixture yet.

With a strong & sturdy base, massive output and IP type connectors this BIG FLOOD is perfect for lighting gardens, hotel facades, buildings, walls and almost any other location where massive output is required.

Of course, just because it is IP 64 rated doesn't mean it will not perform in indoor applications as well. From ballrooms to Nightclubs and many locations in-between this economical LED flood is bound to make your lighting life easier.
